The Golden Light

IN **G**OD I SEEK REFUGE FROM
SATAN, THE CURSED ONE

IN THE NAME OF **G**OD,
THE **M**ERCIFUL,
THE COMPASSIONATE **O**NE

Everyday a question to purify your mind

How does **A**llah create something from nothing?

#1

What more could we give to our most gracious **L**ord than our unshared love? Does not everything else belong to Him? And is love not more than words? Do you not give your dear ones more? Would you not fight for them?

#2

Would anything exist without **G**od, even if that thing were fictive?

#3

Can there be a number two behind **G**od, Who is eternal, Who invented the amount of two?

#4

The more unlovable man becomes, would his son still be good enough to be sacrificed to **G**od?

#5

Are **G**od's Miracles not the norm and physical laws the exception? Which results from which?

#6

Could **A**llah, Who created all kinds, not create all those gods that polytheists wish to have? Could He not kill them all as well? Glory to the exalted **O**ne, would someone who accepts Him claim He has equals? How can Christians claim they love Him? How can they call Him Father?

#7

Who could write even one Verse like **A**llah, like **O**ne Who does not fear, Who does not lose?

#8

Does **G**od not speak in the sincerest way? Do you not need to oppose Him to misunderstand His holy, unchanged Quran?

#9

Is all that we grasp about **G**od not merely what concerns us? Is **A**llah not greater than that?

#10

Is not Arabic **G**od's chosen Language? Do you need to be an Arab to speak the Language of the holy, unchanged Quran?

#11

Who besides **G**od deserves fans and Praise? Where do talent and Beauty come from?

#12

What could be the role of patron saints other than being idols? What could they do for you that **G**od could not?

#13

Are those who associate their Messenger with their **L**ord, in spite of reading their Holy Quran and their Bible, really better than other polytheists, Hindus, and atheists, Buddhists, who never received any Scripture with proving Miracles from their **L**ord? Would Christians, sunnites, shiites and sufis believe —partly— in **G**od if their Messengers had not received Miracles? And does believing partly mean believing at all? Is accepting the **A**lmighty not a question of black and white? Glory to the exalted **O**ne, does Someone almighty need any help, any associate? Is it not a weak god that Christians, sunnites, shiites and sufis believe in, and therefore no **G**od at all —in spite of reading the opposite in their scriptures? And is it not **A**llah Who decides when the Hindus and Buddhists shall believe?

#14

Do Angels possess our taste?

#15

How could the Holy Spirit and the Messiah become gods? How could **G**od become an Angel or a man? Why would the **G**reatest give up being almighty? Glory to the exalted **O**ne, could His own Creation make Him do anything against His Will?

#16

Does our **M**aker not want us to be chaste in public, girls and women to be veiled? Does He not allow men to marry up to four women simultaneously? And does He not want us to eat ethical meat if we eat meat? How far can we let lawmakers go in forbidding our **G**od-given rights and duties? How far does a man want to let them go?

#17

Does it make a difference whether you associate another god with **G**od or a man? Are not the sunnites, shiites and sufis the most humiliated people on earth, punished as if they were polytheists? Yet is not associating with **A**llah the most repeated Taboo in their Scripture?

#18

Do sinners who do not even think of repenting believe they will be granted painkillers in the eternal Flames of Hell?

#19

Do animals develop our characters divisible into Good and evil? Glory to the exalted **O**ne, how could they alienate and deny **G**od? Why should they not be forgiven?

#20

How many children would starve in a vegan world?

#21

Can you make babies in Paradise?

#22

Is killing animals for the taste pro-life?

#23

Can the dead profit from science?

#24

Do children lose their magic when they grow up? Do not their protectors rather lose their love, the kind of love the holy, unchanged Quran is about?

#25

Is the New Testament capable of guiding us? Where does it teach **G**od's Unlikeness and Rituals? Where does it purify? Where does it protect women and animals like the comprehensive, holy and unchanged Quran? Which book, if not the one composed by our **C**reator Himself, shall protect His Creation?

#26

Are meat, dairy and eggs from maltreated animals really halal or kosher? Is exploitation not theft? Where does **G**od allow man to treat them as objects? Does the holy, unchanged Quran not expect pastures for them? Do animals not glorify **A**llah like His Submissives, according to Sura An-Nur, The Light, 24:41? Yet are they not more humble than any of us?

#27

How can man treat animals like his enemies? Do they not pay with their lives to feed him?

#28

Is there a war on livestock?

#29

Does livestock have any rights?

#30

If there were no racism at all, would minorities not invent it to benefit?

#31

Was the Holocaust the price for the Jews to return to Israel —the price set by **G**od? Or who could touch His chosen Ones without His Will?

#32

Does the holy, unchanged Quran not reveal when Jesus was really born, namely during Israel's late date harvest?

#33

Was it not the romans who vainly agreed to crucify the Messiah? How can Christians blame solely the Jews? Were the romans not Caucasians like them?

#34

Would the rabbis and the romans have dared to touch Jesus if he had received the kind of Miracles Moses received: Miracles meant for **J**ehovah's enemies? And would the people of pharaoh have laughed at Moses if he had received the kind of Miracles Jesus received: Miracles meant for **G**od's chosen Ones?

#35

Glory to the exalted **O**ne, in claiming that **G**od rests and visits us, becomes jealous and regretful, is the Torah not written in a language that supports the false, humanized god of the New Testament, whom Christians do not fear, who is claimed to be of flesh, whose name would be Jesus instead of **J**ehovah, and who is at the same time claimed to be his son? Yet did He not promise to visit us on Judgment Day?

#36

Is a homosexual not more likely to be forgiven by his **L**ord than a Christian, sunnite, shiite or sufi, according to Sura An-Nisa, The Women, 4:116?

#37

Is a woman not more than her sexual adornments? Have transsexual men never seen, smelled, touched and talked to one? Even if they smoothed their faces, narrowed their shoulders, widened their hips and changed their muscles, skin and vocal cords, would this be enough? How can you change your soul? Do women think and move like men? Is our **L**ord not the only **O**ne Who decides who becomes a woman and who a man?

#38

Who is more woman: transgender men or female animals?

#39

Would a straight man who calls a transgender man a woman ever consider having relations with that castrated man he calls a woman?

#40

Would women forego their equality rights if these did not come bundled with gay rights? Then what do they expect from such rights?

#41

Did Lot's wife support the gays? Is this why she was punished along with the rest of Sodom and Gomorrah?

#42

Do we have stronger nerves than animals?

#43

Are animals not able to repent? Yet are they urged to repent?

#44

Glory to the exalted **O**ne, what is the difference between claiming that **G**od is triple and claiming that He is **O**ne, yet Jesus helped Him create the world? Are the so-called **J**ehovah's Witnesses really better than mainstream Christians? How are they different from sunnites, shiites and sufis, who reject idolatry merely as lip service?

#45

Did **G**od really create the animals for man? Was man even allowed to eat them before Noah's Ark landed on Mount Judi?

#46

Does the Beauty of our shapes ever fade in our eyes like the shapes of things man creates? Do we ever get tired of meeting others and animals? Did our **S**haper not create us beautifully indeed?

#47

Is the flamboyant psychology of the genies the reason why we were created so humbly?

#48

Is Peace on earth really a question of goodwill? Is Peace without **G**od's uncensored Guidance in the Holy Quran even realistic? Does Islam not mean "Submission" in Arabic? Will man ever have Peace as long as he refuses to submit to his **M**aker?

#49

Would human sacrifice and cannibalism perhaps be the norm today if the scriptural religions were pacifistic as secularists want them to be? Would the American continent be better off today if the Conquest had never happened? And is Palestine's war on **G**od's Gift to the Jews anything more than human sacrifice, statistically?

#50

Could Peace replace Justice? Is Islam not also the Religion of Justice, alongside Peace? Does it lack a law like the christian canon? Is it tribal, overwritten and distorted like Jewish law?

#51

Is not Justice the purpose of Creation according to Sura Al Anbiya, The Prophets, 21:16-18? Glory to the exalted **O**ne, and is it just to deny the **C**reator, to associate Him with the trinity or Muhammad —as if He needed their help?

#52

How does someone who denies the soul explain something as tiny as an insect, which carries the same amount of life as us?

#53

Are people searching for Miracles in art? What are they seeking in art? Is Cleanliness not more beautiful than art? Is it not more civilized?

#54

Where do all those joggers run?

#55

Whom do you serve if you address Muhammad in **G**od's Rituals if not an idol? Is testifying to his name alongside **A**llah's anything other than swearing that which you swear to **A**llah: Submission?

#56

Whom does the holy, unchanged Quran repeatedly address as polytheists if not the Christians, who say "three?" Is **A**llah's Book not a timeless Book? Which other polytheisms mentioned in it are still relevant today? And is it not astonishing how these identical wrongs adapt, using personalities close to **A**llah to survive and immunize themselves?

#57

What is the purpose of fiction if not distracting from **G**od? Do you not want to keep Him in your heart? Is anyone else able to bring out the best in you?

#58

Could fiction touch us more than blatant lies?

#59

Is it still helping if you do it for money? How many medical workers, policemen, soldiers and firemen would use their earnings to feed and house the needy?

#60

Does wealth indicate Truth? Can **A**llah not choose how much He owns?

#61

If you swear in the name of Jesus instead of **G**od's, could it be that you remember Jesus more than **G**od? Is this a believer?

#62

Who wrote those parts of the New Testament where Jesus is gone? Messengers? Prophets? What have such insubstantial letters lost in a canon? Glory to the exalted **O**ne, does **G**od need to be advertised? Does He deserve to be underestimated and denied at the same time?

#63

Which scripture is corrupted more: the Torah, which hides Eternity and satan from us; the Old Testament, which claims its Citations and Sightings of **J**ehovah are genuine; or the New Testament, which claims Jesus is our **S**avior instead of **G**od? Glory to the exalted **O**ne, would our **L**ord have revealed the holy, unchanged Quran if He accepted any of these wrongs? And is **A**llah's true Language not different from the impure language the Bible uses to impersonate the Most **K**ind? Does the Holy Quran need to name the Ritual of boyhood in order to teach it? Is it not dignified and eloquent enough to accomplish this without explicit words, as we can see in Sura At-Tawbah, The Repentance, 9:28?

#64

Should Jews, sunnites, shiites and sufis, Christians, Hindus and Buddhists fear
Punishment from a book
which blatantly lies, or a Book
which uses Reason? Glory to
the exalted **O**ne, is there even
one Verse in the holy,
unchanged Quran which
downplays the **A**lmighty,
which suggests He would
become tired and step back for
His pretended son,
surrendering to His Creation?

#65

Glory to the exalted **O**ne, why should we focus our lives on a downplayed **G**od, as the Torah, the Bible, the Talmud, the fake hadiths of Muhammad and the Pali Canon seek to impose, or on false gods, as the not-so-biblical New Testament and the Vedas would like to establish, when we can have a genuine, quranic **G**od, Who is almighty, Who will certainly never become tired from saying "Be" in order to make everything He wants exist?

#66

Can the Holy Spirit, Jesus, Muhammad, buddha or satan create anything by saying "Be?" Since **G**od has proved it to us so many times, is mankind not tired of waiting for the lies of His deniers to come true?

#67

Are you not destined to lose against the **A**lmighty should you oppose Him? Who could help you against the **G**reatest?

#68

Should you take your shadow for granted?

#69

Is Paradise a Planet?

#70

How can a planet move close enough to the sun to create life? How can a planet in the vast universe be in exactly the right spot? What are the odds of this happening by coincidence? What really decides the right distance to allow life, according to the aimless world of atheists? Are we meaningless enough in their eyes to be products of pure coincidence? Are human rights meaningless too in their eyes?

#71

What do scientific Proofs tell us about their past and future?

#72

Does faith in lies allow to think? Are lies not made up for someone's gain? Does anyone else besides clerics capitalize on the populist teachings of the New Testament and the fake hadiths of Muhammad, which are denied and rejected in the Old Testament as well as in the holy, unchanged Quran? Yet does a society which reads scripture need any of these priests and imams?

#73

Do you not need to be corrupt to claim that the Old or New Testament and the fake hadiths of Muhammad carry **G**od's Judgment when you can find His uncensored Judgment in the Holy Quran? And will the corrupt be saved?

#74

Does someone who knows that **G**od parted the moon and the sea have any reason to be surprised at the Miracles Jesus, Elias and Elisha received? Does he have any reason to mistake Jesus for **G**od? How many Christians claim that Muhammad or Moses parted these, or that they were **G**od's sons? Yet would they not swear it if only they had died for them?

#75

Should a so-called intifada not be devastating for your enemy instead of yourself? Can we expect any success from those who prostrate themselves before **G**od's Servant? Is the power of **G**od's Servant not zero compared to **A**llah's? And even if he had the power to save them, would a Servant of **A**llah not despise those who worship His Servants? Would Prophet Muhammad not support Israel today? What do Ayahs 6 and 10 of Sura 46, Al Ahqaf, The Long Winding Sandhills, reveal?

#76

Are Jesus and Muhammad more than half-Jews? And where does the Torah claim that a Jewish father is not sufficient to make one a Jew? Is it not the Torah that defines what a Jew is? Are those rabbis who claim this not adding to the Torah with their invention?

#77

Why did the Jews not attempt to crucify Moses as they vainly attempted to crucify Jesus?

#78

Would the holy, unchanged Quran even exist if the Jews and Christians had submitted to **G**od? Do we need more Evidence against those who are uncritical of their faulty scriptures than today's Bible and the not-so-biblical New Testament, than the difference between **A**llah's, **J**ehovah's and the Father's Descriptions? Glory to the exalted **O**ne, does **A**llah rest or procreate? And does a missionary —who knows not how to purify, worship and humble himself— expect a circumcised Muslim to give up washing himself, reciting his **M**aker and prostrating before Him five times a day?

#79

Is it difficult to use Reason and believe in Someone superior Who created all? Is it not the norm, statistically? And is it really difficult to be loyal to Him? Why is it not difficult for the Jews?

#80

How else can we show our obedience to **G**od if not through prostrations? What hinders a liar from saying "I believe and submit?"

#81

Are you able to make ablutions when you have AIDS or hepatitis, or when you consume antibiotics made from mold? Are you allowed to read the holy, unchanged Quran or to worship your **L**ord, to prostrate or make Offerings to Him, or to pilgrim the Kaaba if you cannot purify yourself? Is a sick body clean enough to serve Him? Can ablutions clean you from inside? Are inflammations or mucous congestions cleaner than menstruation?

#82

Do you need Evidence to accept the plain Good? Do you need Evidence for the pain you feel when you are hurt?

#83

Who could judge us better than our ever-knowing **L**ord? Who else can clearly read our hearts?

#84

Glory to the exalted **O**ne, does man, who forges false gods, have the right to complain when **G**od creates aliens? Yet would a foolish kind like ours not welcome these rivals?

#85

Does man need satan to learn evil?

#86

What is the difference between satan, who made Adam and Eve get banished from Paradise, and the apostles, who banished the greedy Christians with words a Prophet would never use and promises he would never make?

#87

Did the apostles preach **G**od's Values we know from the holy, unchanged Quran, the Torah and the Allegories, or sugarcoated compromises made with roman pagans? What do the New-Testamental man-god and the christian weekdays, months, holidays and the planets unveil? Does the christian canon not overlook **G**od's first three Commandments? And is it not astonishing how the bulk of idols worldwide became bundled into one crucifix, represented by Christianity? Yet does **G**od care? Is idolatry not unforgivable according to Ayah An-Nisa, The Women, 4:116 and the Third Commandment?

#88

Is comprehending **G**od's Being easy? Do lies make it easier?

#89

Would the New Testament teach Christians to use **G**od's majestic Titles on His Slave if it were inspired by **G**od? Would it allow them food which He forbids? Would the Torah allow the Jews to demand interest from foreigners and exploit the needy if it still carried **J**ehovah's blessed Message? Would a genuine Book of **G**od cause worldwide poverty? And would someone who knows His Message fail to recognize His very own, purely healing Word in the holy, unchanged Quran?

#90

While the overwritten Bible and the dramatized, not-so-biblical New Testament are not taken literally, is this not why the holy, unchanged Quran was revealed, why it was revealed at a time when text manipulation became more difficult? Does the Revelation of the final Scripture not begin with **A**llah's Command to "read" from a written Verse? Did **G**od not make the Messenger literate to miraculously archive His Revelations, according to Sura Al Ankabut, The Spider, 29:48? And is it not the fake hadiths of Muhammad which deny this Evidence, claiming he dictated them to his scribes?

#91

Does someone religious who fails to question a Message of **G**od which for generations only existed by word of mouth, who ignores such a loophole, not deny satan's existence?

#92

Does a satanist honestly expect victory from satan? Does he not know that **G**od is the **G**reatest?

#93

What is the difference between a theatre stage and Jerusalem? Did **G**od not profane this place with His Silence in the holy, unchanged Quran, replacing it with Mecca? Yet would a holy City ever host a gay parade like Jerusalem does annually? Is this how you treat what you consider holy? Glory to the exalted **O**ne, would Mecca ever lose its shame before its **L**ord? And in which Revelation does He even mention the vatican?

#94

Do Jews and Christians expect a reward for opposing **G**od's holy and unchanged Quran with books authored by men?

#95

Why would Jews and Christians change **G**od's straight Message if they accepted it? How can their scriptures, which are fragmented and contradict the holy, unchanged Quran and even themselves, still carry His Word? Do you not need to die to see your **L**ord and do you not need to be resurrected?

How can you call blatant lies religions when you can have unchanged and straight Guidance from **G**od in the Holy Quran?

#97

Would Christians and Hindus, who accept false gods and falsified scriptures about **G**od, also accept false money? Which is the lesser evil?

#98

Is suicide really a sin as Christians claim? Does **G**od not advise that this would be better for some in Sura An-Nisa, The Women, 4:66? Does Moses not tell the idolators to kill themselves in Al Baqarah, The Cow, 2:54?

Could the Torah, the Bible, the not-so-biblical New Testament, the Talmud, the fake hadiths of Muhammad, the Vedas and the Pali Canon ever compete with the Holy Quran? How can Jews and Christians believe their canons are sufficient when a Book of six hundred pages of **G**od's unchanged Word exists? And are six hundred pages too little to provide a Muslim with the complete Guidance? What do sunnites, shiites and sufis think **G**od is telling us in six hundred pages if they obey the fake hadiths?

#100

Would more people maybe read the holy, unchanged Quran if **G**od had titled it differently, using promotional words like "new" and "testament" instead of a technical word like "recitation?" Yet does **G**od need more people — anyone?

#101

Would Jews and Christians accept satan before they open **G**od's holy and unchanged Quran? Glory to the exalted **O**ne, could anything less than an ecumenical council amend the relationship between Christians and the Canon for mankind, which the unacquainted Christians collectively call "barbarity?"

#102

Is it ever dark in Hell?

#103

Will you still believe in the earth in Hell?

#104

Could you postpone Repentance until you are finished with sinning? What could such Repentance be worth? Why would you not use every moment **G**od allows you to live to amend yourself?

#105

Does evil even exist for you if you believe you could postpone Repentance? And should you ever be too busy to reflect on your past sins and beg **G**od for Forgiveness?

#106

Should you keep the profit when you repent? Do you want peanuts or **G**od?

#107

When are you too old to be rich? Do you not need to be young to relish money and do you not need to sin? And should people in old age spend their last years or months or weeks or days with anything other than **G**od? Should they distract themselves with whatever they used to do? Should they not desire **T**ruth instead of being right? Would you not question whatever you know about the Beyond if you want to be on the safe side when reaching the evening of life? Does really any book meet the requirements to be called "Book of **G**od?" Which Book is unchanged, and which Prophet wrote down the canon of today's largest religion in the world? Or do Prophets merely exist for fun?

#108

Who would still do evil if we could see **G**od? Who forgoes money, having seen its benefits? Is the unseen World not another Trial testing our hearts?

#109

Are **G**od's full-time Slaves Gabriel, Michael and Jesus the same as His part-time Slaves Muhammad, Moses, Abraham, David, Solomon and anyone else who chose the diversions of this world, who shared the time dedicated to his **L**ord with women and children?

#110

Could Muhammad's relatives legitimate the sunnite and shiite sects? Did **G**od promise him anything concerning his family in the Holy Book? Could Islam ever be reinvented without reinventing the holy, unchangeable Quran? Is what is called Quranism today not the first and last way of Islam that **A**llah teaches?

#111

Glory to the exalted **O**ne, is Israel still thirsty for **G**od, Whose Revelation in Arabic is still unchanged?

#112

Is all this humiliation worth it for a Muslim to live in the west?

#113

Is there any people on earth that could satisfy **G**od following the bad experience He had with the Jews, leading almost to their extinction? Are the Ishmaelites, who prostrate themselves before a man named Muhammad besides Him, not worse?

#114

Does **G**od love every species He created?

#115

Is an animal less sincere than a human? Which Creation exalts anyone except the right and only **O**ne? Are animals not the only innocent kinds on earth?

#116

Glory to the exalted **O**ne, are the Messengers of **G**od and His chosen Tribes more fascinating than **G**od? How can Jews and Christians reject a Book entirely about their **L**ord? Why are they not grateful that He introduced Himself in the holy, unchanged Quran? Would they know how great He is without the final Book: that He did not rest upon creating the worlds, nor is succeeded by a son?

#117

Is the New Testament about **G**od or Jesus? Is Christianity the religion of **G**od or Jesus or Paul? Whose customs prevail? Did Jesus not follow the Torah?

#118

Are the last Chapters of the Book of Job, where only **E**loah speaks, not the most beautiful part of the Bible? Is this not what makes the holy, unchanged Quran so special among the books?

#119

Glory to the exalted **O**ne, could your pride, your people or your culture ever replace your **G**od?

#120

Are flags not another Trial testing our Loyalty to **G**od? Is **G**od Someone you should dedicate yourself to only halfheartedly?

#121

Is it justified to call Martyrs terrorists and patriots Martyrs? Does a Martyr not die for **G**od and a patriot for land? Is not giving Testimony to **G**od the definition of Martyr, which is translated as "Witness" in Arabic as well as Greek? Is someone who dies for Someone unseen the same as someone who dies for something seen that certainly needs no testimony? Are the meanings of words meant to change? Is this better than burning books?

#122

Can we expect Justice from patriots? And should you have expectations of polytheists and atheists?

#123

How does a man dare to test our faith? Who among us could not be tested anymore?

#124

Glory to Him, the exalted **O**ne, is refusing to obey **G**od's Command worse than misjudging Him? Is satan worse than man? Does testing others with evils mean committing those evils?

#125

Could a Witness of **G**od be worse than someone who sees something crooked in His straight, holy and unchanged Quran? Do Jews, sunnites, shiites, sufis and Christians fear Him more than the devil does? And Muslims, who embrace every word of the genuine Scripture?

#126

Is interpretation of the child-friendly, holy and unchanged Quran not satan's key into our faith?

#127

Why would **G**od's straight Language in the holy, unchanged Quran need any interpretation? Does something divine ever need to be amended? Is not the Holy Book a Muslim's imam according to Sura Al Ahqaf, The Long Winding Sandhills, 46:12? Where does **A**llah introduce clerics as imams?

#128

Does the growing world population make mankind wiser? Does it not multiply wickedness? Would man not allow anything under the shield of democracy, such as sterilizing obsessed children at their will with nothing more than the consent of their parents —as if they were their property? And were the nazis not elected by the people, namely for their racism? Is it wise to let fools decide for you instead of **G**od, Who created the holy, unchanged Quran in His true Image to guide and govern us?

#129

Is mankind not destined to consume cheaper and cheaper, ever more toxic food the bigger the world population grows? Is this not how democracy works?

#130

Could Moses ever have seen **G**od from behind? Could Abraham ever have invited Him to a meal? Glory to the exalted **O**ne, could Jacob ever have fought with Him? Do we not need to die to see our **L**ord?

#131

Glory to the exalted **O**ne, is it not an understatement to claim that the holy, unchanged Quran is the finest Work in Arabic? Is it not the finest Work in language per se?

#132

Glory to the exalted **O**ne, is the Torah's claim of **G**od resting on the seventh Day something harmless? Does Sura Qaph 50:38 not deny that He ever becomes tired? And is this not why **J**ehovah calls the Muslims "the best community" instead of His chosen Jews in Al-e Imran, The House of Amram, 3:110 — because they find it not harmless?

#133

Glory to the exalted **O**ne, would **J**ehovah ever need to rest, as claimed in Genesis? Do Jews and Christians know what a **G**od is? Do they not know that Miracles and worlds are the same effort for Him Who only needs to say "Be" for everything He wants to exist?

#134

Glory to the exalted **O**ne, does the sovereign Language **A**llah uses make Jews, sunnites, shiites and sufis, Christians, Hindus and Buddhists feel uncomfortable? Why else would they deny His personal Introduction in the holy, unchanged Quran and insist on their inferior lies, wishing He could be governed?

#135

Glory to the exalted **O**ne, could anyone force us to accept religions which claim that our almighty **L**ord was vulnerable and weak?

#136

What makes non-Muslims believe **G**od would be weak? Is the universe He created something small? Yet did He not create all these galaxies merely as "lamps" made of the "adornment of stars?"

#137

What are people ready to do for false, weak gods? Do Christians starve for even one day for their invented trinity?

#138

Is someone who denies **G**od's almighty Being perhaps too greedy to share Him with other religions? Why else would he deny what is written in the scriptures?

#139

Is it appropriate to rededicate Feasts dedicated to **G**od to His Slaves, such as the occurrence of one of the greatest Miracles, the dividing of the sea marking Passover, to Jesus; or the days He sustains us with His first Fruits, the Feast of Weeks, to Gabriel? And do you need to be a Muslim to say goodbye to the passing lunar year? Do you need to be a Jew to welcome the new year on a day **G**od chooses, a day in autumn when the new fruits are ready to gather —is not the Feast of Ingathering determined in Exodus 23:16 furthermore the correct time to celebrate Thanksgiving? And while our **L**ord presents us with two calendars, is it appropriate for someone religious to live by a calendar He did not even mention: the calendar of His pagan deniers? How many more options do you need from Him? Would **A**llah, alias **E**loah, ever propose something bad to us? Does He not propose the best to us?

#140

Is the only book amongst judeo-christian scriptures which breaks with the strictly monotheistic Custom written by any Prophet, any Messenger? Glory to the exalted **O**ne, why do Christians keep their New Testament attached to the Bible if they reject Monotheism? Why do they hide behind the Torah if they deny the almighty **G**od of Noah, Abraham and Moses and claim that Jesus would be their **L**ord —if they reject **J**ehovah's First, Second, Third and Fourth, as well as His Seventh and Tenth Commandments?

#141

Are Christians even interested in **T**ruth with a touching story dedicated to them attached to the Bible? Yet do you not need **T**ruth for Salvation?

#142

Would Christians forget Jesus if they did not wear a crucifix? And could wearing a crucifix ever replace serving **G**od: purification, ablution, worship, fasting, modesty, charity and sincerity? Is a crucifix not the perfect idol? Glory to the exalted **O**ne, is it more than a pretext to be lazy about **G**od, leading finally to denial?

#143

Would Christians worship anyone who heals the blind? Do they know that Joseph healed his weak-eyed father Jacob? And do they not know that it was **J**ehovah's Power alone that allowed Jesus, Moses, Elisha and Joseph to heal?

#144

Who is more arrogant: the Jews, who believe in an almighty **G**od Who would be there only for them; the sunnites, shiites and sufis, who call themselves **G**od's Submissives while believing the Messenger would treat them better than **G**od; or the Christians, who believe in a god who would resemble themselves, having children like them? Glory to the exalted **O**ne, is any of these a **G**od? And is it not your duty as a human to reason your existence? Then does Reason not lead to **A**llah alone, the only almighty **G**od amongst scriptures: Who neither rests as claimed in the Old Testament, nor is succeeded as claimed in the New Testament, nor submits as claimed in the dharmic scriptures? And will the strongest **G**od amongst scriptures accept you should you fail to remember Him in a sincere way?

#145

Who is worse: atheists, who deny our **L**ord, or Christians, who commit themselves to serving exclusively the poor instead of **G**od while silently tolerating interest? Yet does the New Testament tolerate interest? And where is it written that Christians must repel migrants? How come conservative parties are categorically xenophobic and appealing to the wealthy? Is this christian? Or is it christian to discriminate against another christian people, to kill and exploit them instead of uplifting them? Is this not another reason why **G**od gave up on Christianity and founded Islam, why He commands Muslims to unite and decline friendship with non-Muslims? And are catholics really the friends of Jews? Who committed the Holocaust?

#146

Would the Jews and Christians, the Hindus and Buddhists even see how great **G**od is without the holy, unchanged Quran Muhammad received? How can they fail to embrace him?

#147

Whom does our **L**ord protect if those patron saints of the Christians were real? Glory to the exalted **O**ne, is **G**od only a Word for catholics, pentecostals, protestants, evangelicals and the orthodox, a pretext to establish their own pagan theology with their own values and saints He did not mention anywhere? Yet is it even possible for a man to become a Saint according to the holy, unchanged Quran, where **G**od mentions Saints only amongst Angels? Would a human be anatomically pure enough to be a Saint? And is **A**llah not the only **O**ne Who decides who a Saint is and what is holy?

#148

What is the difference between the pharaoh and the pope, who raise their authorities above **G**od's? Thus, would really no one have interest in changing the words of a Prophet: no supremacist Christian who bogusly seeks a monopoly on Guidance, no tribalist Jew who wants to excel over others, no pedophile bedouin who feels too comfortable about neglecting **A**llah's Law and so invents the "hadiths of Muhammad?" And is the Holy Quran not the only Book showing no sign of corruption, where **G**od is perceived as unmatchable by the reader, where no believer loses his Awe? Yet is Islam even a separate Religion if **A**llah revealed it to "manifest" it over all religions with His own Words? Or is there another Book He authored personally? Were the Torah and the Psalms not authored by their Prophets —and the Gospel? And is the Book which respects **G**od more than yours not better than yours?

#149

By claiming Islam would not fit into your land, are you not admitting that your people are too crooked for Islam? Or what exactly would be inappropriate about the Religion **G**od created for mankind? Does it lack a Law, Sincerity, Purity and Rituals like the religion man created for mankind? Is not corruption civilization for Christians? Glory to the exalted **O**ne, is this not why they despise the Rectitude of Islam in their lands?

#150

Is it faithful to reject the purely glorifying Words about our almighty **C**reator, to deny His holy, unchanged Quran?

#151

Is it the genies who defend the scriptures that humanize our almighty **L**ord, vainly seeking to weaken Him? Glory to the exalted **O**ne, would these people deny His purely magnifying, holy and unchanged Quran if they only loved and feared Him?

#152

Who allowed sunnite, shiite and sufic clerics to distort **A**llah's blessed Religion? Would a purely quranic Islam, the only Islam **G**od gave us, not be inviting to non-Muslims?

#153

How many Jews see the Holy Quran the way **G**od's chosen People ought to see it: pure and unchanged, composed by none less than Him?

#154

Is what used to be the Holy of Holies, the Ark of the Covenant of Israel, not the holy, unchanged Quran today? Is the Holy Quran not more than that? Is it not the unchanged Word of **G**od Himself? Is, except for the Sura-Titles, anything in this Book manmade?

#155

If only satan was to blame, why did the Most **M**erciful expel Adam and Eve too? Did this constellation really change? Are the children of Adam innocent today?

#156

Does it not make a difference whether Jews speak about the children of **G**od or whether Christians do, who claim they mean it literally? So which of them knows what **G**od is and which of them lies out of grudge: for not being the chosen People?

#157

Could you ever brace yourself for Fire? How can you neglect to question your scripture for its validity if you honestly seek Salvation? Could a scripture like the Torah, which is silent about eternal Life, lead you there? Or a scripture like the Old Testament, which fails to teach how to purify yourself, worship, fast, eat and dress? And which Prophet wrote the noncommittal New Testament? Should not a Prophet have written it down? What makes a Prophet a Prophet?

#158

Why would satan have jeopardized his stay in the most beautiful Place, in a Place near **G**od, if he cared for himself? Does someone like him care for others?

#159

In nations which effectively fight poverty, do you not give alms by paying sales tax whenever you buy something? Is it still charity if it comes not from your heart though? And is there not enough poverty worldwide to let your heart do the job?

#160

Could democracy please anyone? Are voters not destined to win and lose?

#161

Is rain, which provides for all our needs, not equivalent to money, with the difference that it is incorruptible?

#162

God feeds us with rain, we feed with money, what does this reveal about our abilities and limitations?

#163

Should we waste ourselves here or save ourselves for **G**od's Presence in a perfect World? Should we waste our wishes on this brief life?

#164

How come that only the right measure of ingredients tastes good enough to cook with? Does it really seem as though blind nature created the world and life? What else could have created all that we desire if not **G**od? Why would evolution make us crave chocolate instead of vegetables?

#165

Are atheists still atheists when they sleep? How do they explain dreams? Is it coincidence that integrates the noise around our bed into our dream? How does our sleeping mind transform a touch or sudden noise into the touch or sound in our dream world? How can this happen without the least delay? How can a sleeping mind think faster than one awake? Does **A**llah not reveal that it is He Who takes our souls when we sleep? Is it not His Gentleness that gently integrates the noise around our bed into our dream?

#166

Do you not want your sweetest dreams to come true? Do you not want to be admitted into **A**llah's eternal Garden? Would you then gamble your admission on obviously corrupted scriptures that claim **G**od would rest or have equals or descendants? Yet does **A**llah not show us the examples of sincere believers in His holy, unchanged Book? Do these not avoid corruption? Should you not follow their example instead of going with your gut and your people, should you want to be saved?

#167

Could there be a worse nightmare than burning alive forever and ever?

#168

Do the fake hadiths of Muhammad not compete with Jesus, making up countless Miracles the holy, unchanged Quran fails to mention? Yet do Muslims need great Miracles to believe in **G**od? Is His unmatched Wisdom and Eloquence in the holy, unchanged Quran not Evidence enough to be even stronger believers than those who cling to His Miracles instead of His Law?

#169

How much did someone who received **G**od's Miracles since birth, who gave life to the dead and healed the blind, ever suffer? Does **G**od not reveal that He spared Jesus from the pain and humiliation of the cross in Sura An-Nisa, The Women, 4:157? Who could have been happier than the Messiah? And who could have suffered more than Noah, who watched the world and simultaneously his own son die?

#170

Would our **L**ord ever command us to prostrate ourselves before an Angel or a genie the way He commanded them to prostrate themselves before Adam? Is man not the only Creation that would use this against His unbreakable Authority? Do we need more Evidence than Christianity, sunnism, shiism and sufism, or Hinduism?

#171

Why would someone who calls down **G**od's Wrath engage in ending diseases and wars?

#172

What made the scribes who corrupted the Bible and the Evangelium believe their desecrated versions were better than the Truth? Glory to the exalted **O**ne, what would be divine in suggesting there was nothing wrong with calling a man **G**od, or in claiming **G**od's Prophet would worship and build idols?

#173

Is someone who believes in the bogus sunnah of the Prophet, who reads **G**od's holy and unchanged Quran yet still denies His undeniable Sovereignty therein, more faithful than an atheist who does not read scripture? Is someone who denies **G**od's Oneness more faithful than someone who does not remember Him at all? How much does a sunnite, shiite or sufi remember Him if he estranges Him in spite of reading the Truth about Him? Does he not remember the fantasy of the bedouins behind the fake hadiths of Muhammad instead? And whom does a Christian remember when the word "trinity" is not even mentioned in his canon?

#174

Would the world still reject Islam without the bad influence of the Prophet's fake hadiths on sunnites, shiites and sufis? Glory to the exalted **O**ne, would anyone burn a copy of the holy, unchanged Quran if these led an exemplary life as taught therein?

#175

Glory to the exalted **O**ne, what would make the holy, unchanged Quran uncivilized? Do "holy" and "decency," "Justice" and "safety" carry barbaric meanings like their opposites? Does the final Scripture teach oddities western people could not relate to? Is prostrating yourself dishonorable? Is worshiping one **G**od instead of three too sparse? Is it shameful to treat women like subjects instead of objects? Are murder, rape and domestic violence under influence safer than driving under influence? And would anyone suffer if lenders stopped taking interest?

#176

Should you not prefer the update over the outdated? Should you not acknowledge something infallible instead of something contradicting? Could the blatant lies in the idolatrous New Testament save you like Jesus and the Torah once did and the holy, unchanged Quran still does? And is **G**od not the **P**raiseworthy and the **T**rustee, the noble and the near **O**ne, the **T**ruth and the **G**reatest, the **S**haper as He is the **P**rovider of all? Glory to the exalted **O**ne, would Someone like Him ever need rest, succession or the help of associates?

#177

Is a trinity of Angels or Messengers not the only trinity you are allowed to mention concerning religion? Is **G**od not exalted above being the member of any group? Is this not what makes Him **G**od and His near Ones like anyone else His Slaves? Glory to the exalted **O**ne, does the so-called "godhead" not deny that the Holy Spirit and the Messiah are His Slaves?

#178

Glory to the exalted **O**ne, is there even one Church in the world dedicated to our **M**aker instead of Jesus? Is there a single Church not desecrated with a crucified idol, not defiled with an idolized cross? And does **G**od really acknowledge those churches named for His denial: the pagan churches of the so-called "mother of **G**od" and the "trinity?" Would He even care if these were wrecked? Is any name other than one of **G**od's Most Beautiful Names acceptable for naming a Church, Mosque or Temple?

#179

What would be the christian definition of idolatry if not the man-god complex? And is the scheduled remembrance of Muhammad alongside **A**llah anything other than worship of two associates? Glory to the exalted **O**ne, is **G**od not the only One we are allowed to worship, and thus to call in the adhan?

#180

Glory to the exalted **O**ne, do today's mosques not lead you to worship an alleged associate of **G**od when they call the Prophet's name beside **G**od's holy Name in their calls for prayer? Are we allowed to pray there? Are all these acts not rejected in the Ayahs Al Jinn, The Genies, 72:18; Az-Zumar, The Squads, 39:45; An-Nisa, The Women, 4:116; and At-Tawbah, The Repentance, 9:107-110? How can a single Ritual be corrupted in so many ways if this religion is Islam? Is **G**od's Worship not too serious to be treated carelessly? Does it not decide between Heaven and Hell?

#181

Glory to the exalted **O**ne, are you a Muslim if you refuse to pronounce the adhan exclusively for **G**od? Does Sura Al Jinn, The Genies, 72:18 not forbid calling anyone beside **A**llah in His Mosques? Are we allowed to pray in congregations gathered by muezzins who are not even willing to treat **A**llah as a **G**od? Is this not association with Him? Is this not the only thing He does not forgive, according to Sura An-Nisa, The Women, 4:116? Are we allowed to call, thus worship, anyone beside our **L**ord?

#182

Glory to the exalted **O**ne, what makes dedicating the call for prayer exclusively to **A**llah so difficult? Do sunnites, shiites and sufis not know that He is **G**od? Do they not know the difference between a Prophet and **G**od to call Muhammad alongside Him? Could these be Muslims?

#183

Is reciting randomly anything that sounds pleasing the same as ablution and "Recitation," "Quran," of **G**od Himself? Is Purification of your wording, yourself and your prayer niche not as close as one can get to attain Purity? Yet do sunnites, shiites and sufis attain anything when they blemish **G**od's genuine Verses with the manmade prayers from the fake hadiths of Muhammad? And what might Jews and Christians attain if they prefer to recite men instead of their **L**ord?

#184

Where in the holy, unchanged Quran are the prayers "Subhanaka," "Attahiyat," "**A**llahumma Salli," "**A**llahumma Barik" and "Qunut" written? Does Sura Al Muzzammil, The Man Wrapped in Garments, 73:20 not instruct a Muslim to recite **G**od, His sacred Verses, for His Worship? Is the Holy Quran not titled "Quran," meaning "Recitation" in Arabic, because of this? Is the Definition of "holy" not "pure?" Are sunnites, shiites and sufis not obliged to purify their prayers from the words of man? Is this not why they reject the guidance of the Torah, the Bible and the not-so-biblical New Testament? And is this not why they wash themselves before they worship?

#185

Where in the holy, unchanged Quran is the alleged "black stone" from Paradise mentioned? Do these charlatans, who make Muslims worldwide pray toward an idol and defile our **L**ord's holy House, really believe in Him when they allow everyone to kiss this idol? And what is the difference between sunnites, shiites and sufis who kiss this stone and Jews and Christians who embrace the wall of the Temple Mount with the arms? Do you really need to touch something to become pious?

#186

Should the so-called Organization of Islamic Countries not be more united than the European Union? Are sunnites, shiites and sufis even willing to protect a transnational community of falsifiers which they wrongfully call Islam? Would they not protect their sisters and brothers in Iraq, Palestine, Myanmar, China, Kashmir, India and Afghanistan if their ummah were in fact a muslim ummah? Is defense of the ummah not a major Pillar of Islam? Does their lethargy not prove that they are aware of being frauds, that they care not about others who are frauds like themselves? Or would **G**od accept a lie simply because it has enough backers?

#187

How many Jews still observe the Fasts of the fourth, the fifth, the seventh and the tenth months commanded in the Bible, Zechariah 8:19? And is the Fast demanded for Ramadan as strict as the Fast demanded for Yom Kippur? Is smoking really forbidden during Ramadan when the holy, unchanged Quran forbids only eating, drinking and sex?

#188

Are Christians not ashamed of calling what they do fasting? Where in the holy, unchanged Quran, the Bible or the not-so-biblical New Testament is fasting ridiculed in this way? Where in the Bible does Daniel call his melancholy "fasting?" How can they call **G**od their Father when they cannot even starve for Him?

#189

#195

Is romance not overrated and family underrated?

#196

Is it legitimate for sunnites, shiites and sufis to donate an amount other than what is commanded in the Torah —which would be a tenth of their harvest, or a twelfth of it repurchased in cash— since they are unable to assess the "boon" which they are obligated to donate in Sura Al Baqarah, The Cow, 2:219? Is not the Torah a Muslims's secondary literature rather than the fake hadiths of Muhammad? Does **A**llah not expect His Believers to read His preceding Book as well, obviously? And are the Jews still in a position where their censored Torah could serve as their primary literature? What are the odds that they could rebuild a Tabernacle which **J**ehovah already wrecked twice, or restore the Rulings which democracy rejects, such as the stoning of gays? Is His uncensored quranic Law not above His Law as censored by their ancestors, above man's law, above the so-called halakha? Then what can we expect from the so-called oral Torahs if the written one is that redacted?

#197

What other than the Law of the holy, unchanged Quran could promise civilization? Is a society that permits alcohol really civilized? Do drunk people behave better than barbarians? And what if sunnites, shiites and sufis were allowed to drink? Would it make any difference?

Where does the holy, unchanged Quran diabolize dogs and venerate cats? Does Sura Al Kahf, The Cave, 18:18 not narrate that their dog slept in the same room as the juveniles, who in fact sought the purest food when they awoke? How do sunnites, shiites and sufis judge? Is the conserved meat they regard as pure better than dog food? Is it not technically carrion? And is the water dish of a cat really halal for man to drink from, as claimed in the fake hadiths of Muhammad?

#205

Is our death a cause of sadness for **G**od, the Angels and the genies? Do we not grieve when a close one or a pet dies because we cannot see what they see? Yet is Hell not in fact the saddest place for someone who is not admitted into a better place? Is it not eternal?

#206

Are insects not the most delicate beings in the world? Is it ethical to treat them like objects simply because they are small and weak? Do they not carry the same measure of life as any of us? Does any of us possess two lives in his soul?

#208

Would women want to live in a world with more gays?

#209

Are some human rights not the devil's advocates?

#210

Is death penalty not the strongest measure against killing? Are murderers who are clearly found guilty really victims, as catholics and human rights advocates treat them? Do they not defend those evil who do not even think of repenting? Do they not belittle their crimes? Do their victims and future victims not deserve human rights too? Are these stronger than the weaker half of mankind, those discriminated against by homosexuals under the protective shield of human rights? And is it a coincidence how the faithless treat the weak? Is it not as far as they can go?

#211

Does Christianity exist only to support sinners? How can Christians fail to be on **G**od's Side?

#212

Why is the discourse of the catholic church merely about social Justice? Is it not dictated by the atheistic public, which uses the weak as a shield for mingling good with evil? And should it not be about **G**od and His Teachings, which are caring enough to fight social injustice —racism and interest— in an honest way? So which church can afford to ignore the holy, unchanged Quran? Should the secularized christian congregation not embrace Devotion instead of denouncing it as radicalization?

#213

Does a Christian mean **J**ehovah or Jesus when he mentions **G**od —**A**llah or the Messiah?

#214

Glory to the exalted **O**ne, would **G**od have created us in His Image when He created apes in our image? Or would He have created women? Is man not the opposite of **A**llah, yet still carrying His Spirit inside him? What could be funnier?

#215

Is **G**od's Creation of Adam not more plausible than the evolution theory, using the fairy tale of the amphibian that became a prince?

#216

How far would you go for Assurance? Would you not obey **A**llah in exchange for Truth? Or what makes more sense than the holy, unchanged Quran? Glory to the exalted **O**ne, does it make sense that **G**od relies on whom He created, sacrifices for them and has a descendant? Or that He was the Father as He was the son? Or that the Heavens and the earth were literally godless when Mary was pregnant? Do Christians really believe as long as they refuse to fear their **M**aker?

#217

Could you win a battle merely by claiming "I won?" Could religious wars be an excuse to deny the only **O**ne Who gives life a purpose? Could naive miscalculation resulting from the thirst for Power overshadow the meaning of "almighty," suggesting that "three" were categorically stronger than "one?" Which is the fastest shrinking religion today?

#218

Palestine says "We are the soldiers of Muhammad" and Israel says "We are the soldiers of **G**od" —who wins? Muhammad or **A**llah?

#219

Is the similitude of sectarianism not recycling? Is everyone worthy of Truth?

#220

Does the swastika, a twisting crucifix, not stand for Jesus, whom the rabbis in reality failed to crucify, according to **G**od's uncensored Word in the holy, unchanged Quran?

#221

Is the swastika not a warning to the remaining descendants of Jesus' haters, who survived the Holocaust and who today deny the holy, unchanged Quran?

#225

Could Someone Who invented what is wrong ever make a mistake? Is **G**od not the wise **O**ne? Is **A**llah not too wise to make a mistake?

#226

Glory to the exalted **O**ne, would a holy Scripture claim that **G**od becomes tired or jealous, or suggest that He repents? Is not He the **O**ne Who absolves? Should Israel not be wiser than those who claim that the **L**ord of Sacrifices and Atonement would sacrifice thus atone Himself? Yet can you find such lies in the holy, unchanged Quran? Is there any Verse in the infallible Book which allows to humanize our infallible **L**ord?

#227

How can a Christian believe in the Prophets yet deny their **L**ord? How can he accept their names yet deny their non-trinitarian Teachings?

#228

Are family, friends and neighbors the right reasons to become a Christian? Could any of these save you from the Punishment for accepting the blasphemies in the New Testament? Is associating partners with our **L**ord, Who denies that He has partners and equals in the final Scripture and the Old Testament, not unforgivable according to Ayah An-Nisa, The Women, 4:116 and the Third Commandment?

What does the fact that you do not clean yourself before reading the Torah, the Bible, the not-so-biblical New Testament and the Vedas reveal about these books? Would our **L**ord allow His very own Book to be read without Purification, which He demands for the holy, unchanged Quran in Al Waqiah, The Occurrence, 56:77-79? Are ritual ablutions, showers and male circumcision sometimes enough, though? Could water clean us from the filth some of us eat? Is this not why our **L**ord forbids unclean food like pork and why He wants us to eat of the "pure things?" And is pure food defiled and diluted with synthetic fertilizers and pesticides?

#230

Does the holy, unchanged Quran deserve to be labelled antisemitic compared to the language of the Bible against Jews —concerning their crimes against what is holy? Does ignorance serve anyone? And was it the holy Side that lost this War?

#231

Could America protect the Jews from another Holocaust if **G**od wanted it? Should Israel not choose wisely to whom it toadies? Is it not the holy, unchanged Quran that —literally— represents **G**od on earth —and does Christianity represent more than plain falsehood?

#232

Does Sura Al Baqarah, The Cow, 2:196 not reveal to the Jews and the rest of the world what we owe to **G**od? When will everyone prepare for Mecca?

#233

Where in the holy, unchanged Quran does **G**od demand our Sacrifices to be jugulated by a butcher?

#234

#235

How can someone who believes in censored and unauthorized books about **G**od reject His very own and unchanged Word, which is revealed in Arabic? Do Jews and Christians not love their scriptures more than they love Him?

#236

Be it the Torah, be it the Bible, be it the not-so-biblical New Testament, are **G**od's plainly overwritten and non-prophetic scriptures good enough for us who want the best of everything?

#237

Are christmas gifts anything other than bribery to worship an idol?

#238

Why would **G**od's chosen People reject His very own Word in the holy, unchanged Quran? Do they expect more from Him, considering the Torah His uncorrupted Word? Would **A**llah not treat them better would they not refuse to be superior, though? Is it easy to remain superior?

#239

Did the Torah never teach Repentance?

#240

Does the Most **M**erciful need to be corrupt?

#241

Is it consistent for sunnites, shiites and sufis to hold dear the former prayer direction, Al Aqsa, yet reject the former scripture, the Torah? Regardless of the corruptions corrected in the holy, unchanged Quran, are not over ninety percent of it still valid? Does the same Quran not verify it?

#242

Did the rabbis intend to crucify Jesus because was meant to be sacrificed, or because he exposed how they contradicted their own Law in the Torah — would he not have been executed rather than sacrificed if it really happened? And was Abraham commanded to crucify his son? So how come that Christians have no clue of the Law their Messiah preached during his Prophecy, yet know every babble of the letters of the New Testament? Is their comfort not the price they sell him for, believing his alleged crucifixion would allow them to live a lawless life? Then have they forgotten that this Law is for **G**od and that His Messengers exist solely for the Sake of His Law, or that they were followed by another Scripture having in fact a Law tailored for mankind? And still, does Jesus being sacrificed for them not make more sense to them than his healing Allegories about **G**od, Who denies his crucifixion and Sacrifice in the holy, unchanged Quran, yet Who is surely capable of arranging a proper, undisguised human sacrifice Ritual —if He wanted?

#243

Would Christianity be the most abandoned religion in the world if the New Testament only made sense? Why would Someone eternal have children? Even if He did, would it be befitting for **G**od to sacrifice His Son? Glory to the exalted **O**ne, who could be above Him to demand of Him a Sacrifice?

#244

Is it just to deny **G**od's blessed Word only because it was not revealed to your people? Glory to the exalted **O**ne, how many more of His Messages should Israel have been allowed to overwrite, distort and destroy? Are the Bible and the not-so-biblical New Testament not more than enough?

#245

Glory to the exalted **O**ne, did **G**od choose the Jews only to witness how they killed His Prophets one by one, overwrote His Messages one by one? Is this not why He honored the Arabs with His own final Book?

#246

Are Jews really Semites, or in other words, descendants of Noah? What does Sura Al Isra, The Night Journey, 17:2-3 reveal?

#247

While **G**od corrects the teachings of the Old Testament in the holy, unchanged Quran, does He not call its books a "remnant" in Sura Hud 11:116? Does He even mention the New Testament? Does **A**llah affirm anything other than Jesus' Gospel? And are his Allegories not the only **G**od-fearing Narratives in the New Testament to have survived?

#248

Can you attach a Book that does not contradict itself to one that does, the way the contradictory Old and the deceiving New Testament were combined into a monotheistic-polytheistic scripture? What could its message be other than chaos? Does the pagan New Testament not disqualify itself from the Bible?
